

Step to the forefront of design by incorporating Cambria into your next solid surface project. Cambria is a pure natural quartz product known for true beauty, high quality and excellent value. Produced in the US, Cambria fits well in conference, reception and hospitality settings. Surfaceteach offers Cambria as an option for any product line. Plus, with 122 unique colors all at one price point, Cambria is easy to specify in even the most complicated projects.

Surfaceteach

Cambria Table Tops

Environmental Benefits

- GREENGUARD for Children and Schools Certified
- GREENGUARD Indoor Air Quality Certified
- Can contribute to LEED points
- Certified by NSF International as safe for use as a food preparation surface
- Radon Free
- 100% of water in production plants is recycled
- Scrap material is collected and used as road base material on local construction projects

Cambria and Surfaceteach

- Cambria can be substituted for any of Surfaceteach's standard tops sizes and be used with any standard base
- **Need something custom?** Surfaceteach can utilize Cambria on reception desks, circulation desks and case goods
- **Want Cambria but unsure of the color?** No Problem! Surfaceteach offers all 122 Cambria colors at the same price point
- Call Surfaceteach for pricing today

Quartz vs. Granite

- Cambria is 93% pure natural quartz
- Cambria is twice as strong as Granite
- Cambria is a non-porous surface that resists stains. Just wash with warm water
- Granite is porous and subject to staining if not maintained with sealers, conditioners, cleaners and wax
- Warranties for granite surfaces are generally unavailable. Cambria offers a Lifetime Warranty
