# allo™ features

The fixed version of the **allo™** stands with a full C base.

The Power Bar accessory option attaches to the underside of the table. All bars include daisy-chained power and a variety of data options.

The **allo™** offers a unique leg with exposed gusset that shows the rigidity of the table.

The fixed version of the **allo™** includes extra wide glides for stability.

All **allo™** pricing includes a modesty panel.

The table locks option is used to hold multiple **allo™** tables together.

Locking casters prevent unwanted movement.
